4. Planning and Land Use (PLUM) – Norma O. Chávez:
 - The PLUM November meeting has been moved to November 20 to allow committee members to take the day off for Thanksgiving. At this meeting, we will share what is currently available regarding the Missing Middle LA Program. This program will build upon recent changes in state law to advance several of the City's housing and urban design policy goals, without altering any existing zoning designations. The Los Angeles City Planning is launching this program as a new initiative designed to expand pathways to more attainable housing options.
 - One of the projects that was to be presented at last PLUM's meeting has been moved to the January meeting.
 - We received an Emergency Hauling Sediment Operation Notice from the Los Angeles Department of Public works on November the 3rd and was immediately posted on the Facebook page. Los Angeles County Public Works will begin an emergency sediment hauling operation from the Kinneloa Debris Basins in Kinneloa Mesa to the Bel Air Concrete Company in Sun Valley starting as early as November 10, 2025. This essential maintenance project will restore these basins' capacity to contain sediment, thereby strengthening flood protection for downstream communities. The sediment originated from the undeveloped hillsides of the San Gabriel Mountains. It contains no household waste or hazardous substances and will be sustainably repurposed by Bel Air Concrete Company. The project's schedule is approximately two weeks, weather permitting and work hours are Monday through Friday, 7:00 a.m. to 5:00 p.m., with Saturday operations as needed. Haul trucks will exit the northbound I-5 Freeway at Penrose Street and travel through an industrial corridor in Sun Valley to reach the Bel Air Concrete Company facility. This route was carefully selected to avoid residential neighborhoods and minimize traffic impacts.
5. Public Safety/Emergency Preparedness – Eddie Venegas
 - Registration for the CERT class is now available. Space is limited, so please reserve your spot.
 - You may start registering for the Self-Defense class for January 10 with Norma Chávez or me. Space is limited. The flier is being finalized. At the meeting for November 21
